FROM THE PRESIDENT'S DESK

I would again like to wish all of the Residents of Scottsdale Shadows a Healthy, Happy, Prosperous and Peaceful Holiday Season and New Year. There is no doubt that 2007 was a year in which the appearance of our community has been upgraded, with its facilities revamped and modernized thanks to our Donor and the tireless efforts of our General Manager and his staff. There are a number of things I would like to bring to your attention.

We have a new web site, approved by the Board, that is very extensive and provides an image of our Community that is current and very useful. Please take a look at it. It is very informative. The address is www.scottsdaleshadowsarizona.com or if you have access to a computer and go to www.scottsdaleshadows.com it will have the word "Linkö" and when you click on it will take you to the new site. Roger Friedman developed the site and is our Webmaster.

The Board at the December meeting dealt with an issue concerning RVs and the prohibition against parking them overnight. This prohibition is contained in the Rules and Regulations. The issue arose because one of our residents questioned whether an RV that fits into a parking space can be parked overnight. The unanimous response was that it cannot. It makes no difference whether the vehicle fits into a parking space. An RV is an RV.

Finally, we have set up in the lobby of the lounge an area where you can drop off packages or goods for our troops. This is in conjunction with the organization *Packages From Home*. There is additional information on the Website. No inference should be made as to the position of any member of the Board about the conflict. We do however believe in supporting our troops.

Mike Capponetto
President RCI

Movies of the Month

Friday at 1PM

January 4 *The Nanny Diaries* running time 106 minutes **PG-13**

Starring: **Scarlett Johansen, Donna Murphy, & John Henry Cox.** Adapted from the best-selling novel, the whimsical, heartwarming comedy *The Nanny Diaries* concerns Annie Braddock (Scarlett Johansson), a recent college graduate from New Jersey whose nurse mother makes an unsuccessful bid to pressure her into a white-collared business career. Ensnared in their home, she has to juggle their dysfunction, a new romance, and the spoiled brat in her charge.

January 11 *Two Weeks* running time 124 minutes **R** *Starring:* **Sally Field, Ben Chaplin & Lauren Elleman.** In this bittersweet comedy, four adult siblings gather at their dying mother's house in North Carolina for what they expect to be a quick, last goodbye. Instead, they find themselves trapped-- together -- for two weeks.

January 18 *Once* running time 85 minutes **R** *Starring:* **Glen Hansard, Markéta Irglová, Bill Hodnett,** An (unnamed) Guy is a Dublin guitarist/singer-songwriter who makes a living by fixing vacuum cleaners in his Dad's Hoover repair shop by day, and singing and playing for money on the Dublin streets by night. An (unnamed) Girl is a Czech who plays piano when she gets a chance, and does odd jobs by day and takes care of her mom and her daughter by night. Guy meets Girl, and they get to know each other as the Girl helps the Guy to put together a demo disc that he can take to London in hope of landing a music contract. During the same several day period, the Guy and the Girl work through their past loves, and reveal their budding love for one another, through their songs.

FAMOUS SAYING

In those parts of the world where learning and science have prevailed, miracles have ceased; but in those parts of it as are barbarous and ignorant, miracles are still in vogue.

KNIT-WITS

The Scottsdale Shadows Knit-Wits (and Happy Hookers, too) delivered sixteen handmade blankets, as promised last month, to Banner Desert Medical Center's Pediatric Oncological Unit. And again, they were delivered just as the Unit's supply of blankets for the young chemotherapy patients was almost depleted. As mentioned before, the blankets not only provide warmth and comfort to the cancer patients but some are shared with the patients' siblings to assuage their emotional feelings about their sibling's illness. Nice work, ladies. Of course, the knitters and crocheters have a deep sense of satisfaction for a job well done and very much appreciated.
