***Want to expand your own business?
*Thinking about starting your own business?
*Need to hire some help for your own business but think you cannot afford to?**

Join us at the **FREE** YOB Fair and Resource Day! This event offers attendees the opportunity to get free consultations and attend free seminars on topics critical to those launching & expanding their business.

The day features keynote addresses from locally and nationally-recognized entrepreneurs & three learning tracks of programs designed to impact your bottom line.

Representatives from government entities & local trade associations will help you determine what options may be available for your business.

Over 70 exhibit booths will be providing tools and resources to business owners.

Come and learn about funding & tax credits available to qualified business owners!
