FROM THE GENERAL MANAGER'S DESK May, 2009

Wow! We aren't through April yet and we've hit triple digits. How lucky can we be? Summer has already befallen us, together with unusual winds and all that airborne pollen. Have your allergies raised their ugly heads or have you developed them since you moved to Arizona? Just remember keep hydrated and don't carry water in those aluminum bottles, your hands and fingers won't appreciate it!

I would like to start off by letting you know that we have a new controller, Ann Marsh. She has been here just a short period of time and yet has been able to integrate into our complicated system of finances easily. She is a welcomed addition to our staff.

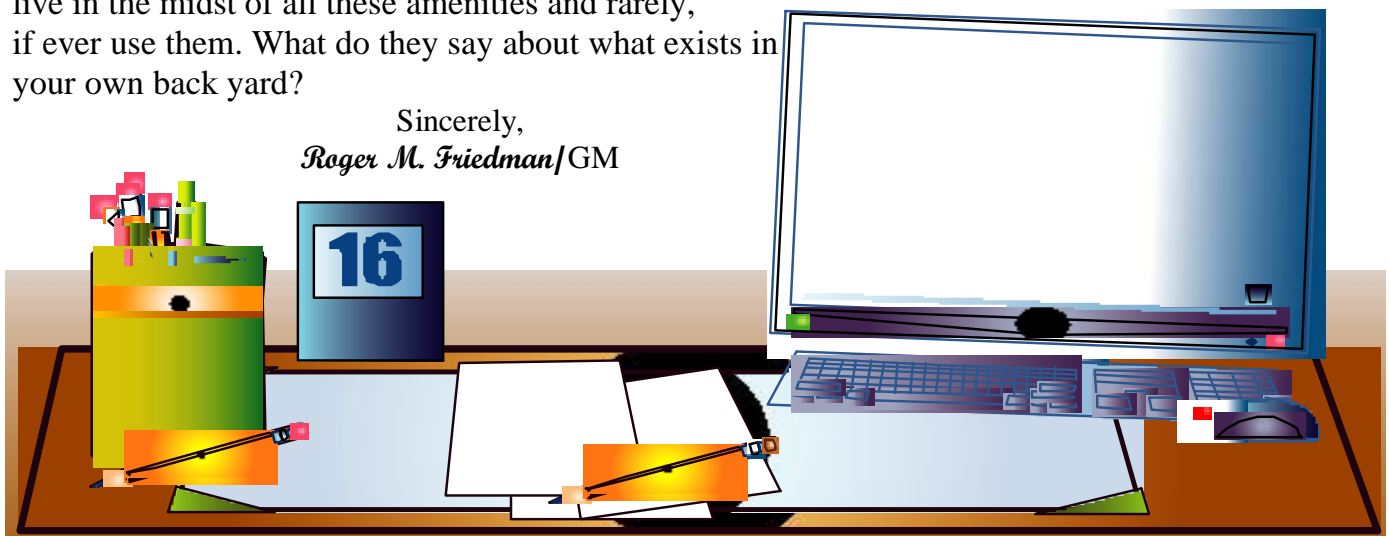

If you are wondering why you saw all of those Reddi Service trucks back again, it is because when the Upper Lake was being drained and worked on for about 1 month, the Middle Lake began to stagnate. As a result, it became necessary to drain and clean out the Middle Lake. It is all complete and we now have both lakes clean, aerated and ready for the next 30 years.

We will, within the next two weeks begin painting both the lobby to the lounge and the Navajo Room with the same color scheme as the Lounge. The Tennis courts between buildings 24 and 25 are due for an overhaul and we believed they would have to be re-surfaced. As it turns out, the contractor told Benito (Maintenance Supervisor), and me that he has not seen any tennis courts in the valley in better condition than ours. He suggested that we merely fix some cracks and re-paint the courts. The painting has to begin at 6:00AM before they surface becomes too warm. There will be little if any noise and we will notify Regime III when the painting will commence.

The Rules Revision Committee met several times and came up with proposed changes to our Rules & Regulations. They have been submitted to the Committee members for final review. They will then be submitted to RCI and the Regimes for adoption. We hope that they become effective July 1, 2009.

Now that we are on the brink of summer, and before the monsoon season starts, I hope you will take advantage of all of the amenities we have to offer. Don't be like me. I always wanted to live NEAR a golf course, have a swimming pool and tennis court at my disposal. Guess what, I live in the midst of all these amenities and rarely, if ever use them. What do they say about what exists in your own back yard?

Sincerely,
Roger M. Friedman/GM

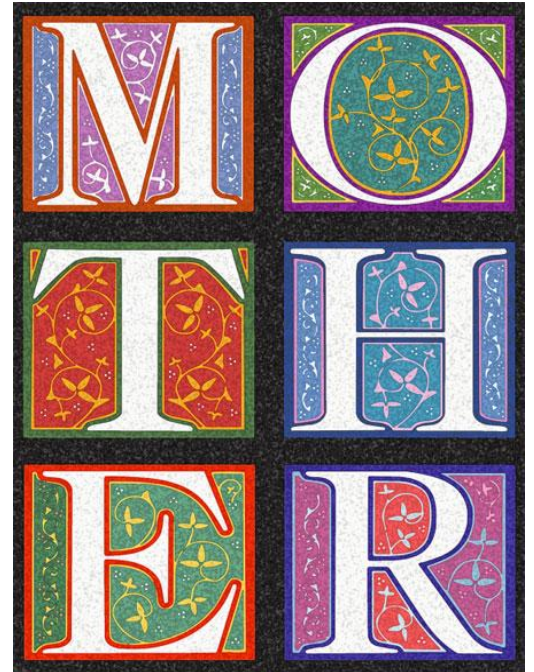

Mother's Day Breakfast

Your Mother Is Always With You...

Your mother is always with you...
She's the whisper of the leaves
as you walk down the street.
She's the smell of bleach
in your freshly laundered socks.
She's the cool hand on your brow
when you're not well.
Your mother lives inside your laughter.
She's crystallized in every tear drop.
She's the place you came from,
your first home...
She's the map you follow
with every step that you take.
She's your first love
and your first heart break...
and nothing on earth can separate you.
Not time, Not space...
Not even death...
will ever separate you
from your mother...
You carry her inside of you...

Movies of the Month

Friday at 1PM

May 1 *Doubt* running time 103 minutes **PG-13** Starring: **Meryl Streep, & Phillip Seymour Hoffman.** When the principal of a Bronx Catholic High School accuses a popular priest of pedophilia, a young nun caught in between the feuding pair becomes hopelessly swept up in the ensuing controversy. Father Flynn's progressive ideas stand in stark contrast to the longstanding beliefs of Sister Aloysius Beauvier, the iron-willed principal, who believes that an oppressive environment of punishment and fear is the only way to keep the student body in line.

May 15 *Frost Nixon* running time 120 minutes **R** Starring: **Frank Langella, & Michael Sheen.** Hollywood heavyweight Ron Howard adapts playwright Peter Morgan's West End hit for the silver screen with this feature focusing on the 1977 television interviews between journalist David Frost and former president Richard Nixon. At the time Nixon sat down with Frost to discuss the sordid details that ultimately derailed his presidency, it had been three years since the former commander in chief had been forced out of office. The Watergate scandal was still fresh in everyone's minds, and Nixon had remained notoriously tight-lipped until he agreed to sit down with Frost. Nixon was certain that he could hold his own opposite the up-and-coming British broadcaster. í ...fans and critics on both sides were stunned by what they witnessed.

May 22 *Bride Wars* running time 90 minutes **PG** Starring: **Kate Hudson, & Anne Hathaway.** A clerical error tests the lifelong friendship of two brides-to-be by scheduling their respective weddings at the famed Plaza Hotel on the exact same date. Ever since they were little girls, Liv and Emma have bonded over planning their weddings down to the very last detail. Now, both in their mid-twenties, Liv and Emma have each found the men they want to spend the rest of their lives with. But while most of the details regarding their respective weddings don't overlap, the one thing that both Liv and Emma have always dreamt of is holding their ceremony at the legendary Plaza Hotel -- New York City's ultimate bridal destination. Unfortunately, a simple clerical error has scheduled both of their weddings on the exact same date, at the exact same place.

May 29 *Last Chance Harvey* running time 93 minutes **PG** Starring: **Dustin Hoffman, & Emma Thompson.** A disastrous trip to London proves to have a silver lining for a middle-aged American jingle writer in this romantic slice-of-life drama. Harvey is about to lose his unfulfilling dead-end job writing jingles when he boards a plane to attend his daughter's wedding in London. He hasn't turned out a memorable tune in some time, and should Harvey fail to come up with something catchy during his trip overseas, he knows that his boss is ready and willing to let him go. Upon arriving in London, Harvey is devastated to learn that his daughter has opted to have her stepfather walk her down the aisle instead of him. And things are about to get worse.

Knit Wits

The Scottsdale Shadow Knit-Wits (and Happy Hookers, too) continue their important work at home and during their Thursday morning get-togethers. The ladies meet to share materials, ideas and directions. They provide instructions and encouragement to new knitters and crocheters and help to renew the skills of those who have knitted or crocheted before. One of our new friends, Shirley Smith, has a special talent for finding yarn at estate sales and our old friend, Pauline Pike, loves to shop for yarn at open-air markets. We thank them sincerely for sharing their materials with the Knit-Wits. The ladies have welcomed new and renewing crafters: Mary Ann, Marlene, Shirley and Evelyn. It's wonderful to watch these ladies enthusiastically gain skills that will enable them to create hand-made articles (including "labors of love" blankets for the young chemotherapy patients at Banner Desert Medical Center in Mesa).
